Patient: Nusha vd Bisschop (967000009542272, 056-002-W00304803)

Dear Sir/Madam,

On the 02/07/2023 the ICSI embryo of the stallion Chacco Blue and the above mentioned mare Nusha vd Bisschop with embryo production code 5-12F has been transferred into the recipient mare Odessa (registration number (528003201908308), microchip number (528210004865941)).

On the 01/09/2023 the recipient mare Odessa was presented to Utrecht University to determine the sex of the fetus. Odessa is carrying a female fetus.

If you have any further questions or want to make an appointment please contact us by phone on 0031 30 253 1188 on weekdays between 8.00-16.00 h or by e-mail to [voortplanting.paard@uu.nl](mailto:voortplanting.paard@uu.nl).

Thank you for the confidence you placed in us,

With kind regards,

Equine Reproduction
